NSW Education Standards Authority

2020 Illness Misadventure – Student Information Guide, Declaration &

Section A

Information Guide

The New South Wales Education Standards Authority (NESA) Illness/Misadventure program assists students who:

- are prevented from attending an exam (including a practical exam) due to illness or unforeseen misadventure
- consider that their performance in an exam has been affected by illness or misadventure immediately before or during the exam.

If either of the above categories applies to you at the time of the HSC exams, you will need to complete an Illness/Misadventure application. Before you complete the application, you should read the following information carefully. You should refer also to *Rules and Procedures for Higher School Certificate Candidates*.

Limitations on Applications

NESA's responsibility is limited to the conduct and presentation of the exams. This means students may only apply to NESA in relation to circumstances that occur immediately before or during an exam, **and** that affect their performance in the exam.

You **cannot** submit an application on the basis of:

- difficulties in preparation or loss of preparation time; for example as a result of an earlier illness
- alleged deficiencies in teaching; for example extended teacher absences
- loss of study time or facilities during Year 12
- long-term illnesses such as glandular fever, unless you suffer a flare-up of the condition during the exam
- the same grounds for which you received disability provisions, unless you experience additional difficulties during an exam
- misreading the exam timetable. If you miss an exam, or arrive late to an exam because you misread the timetable, contact your principal immediately. He or she may make a submission to NESA on your behalf
- misreading exam instructions
- failure to enter for the exam in the correct course
- illness and/or misadventure in a course that is undertaken as a self-tuition student
- other commitments, such as participation in entertainment, family holiday, work or sporting events, or attendance at exams conducted by other education organisations.

If you are unsure whether you are eligible, you should ask your principal.

Your Rights and Responsibilities

It is your right and responsibility to submit an Illness/Misadventure application whenever necessary. Only if

you are incapacitated, an application may be submitted by your parent/guardian on your behalf.

When completing an Illness/Misadventure application, you should pay close attention to the instructions and complete all relevant sections. Submitting an incomplete application could jeopardise the outcomes.

Attendance at Exams

You must attend every exam. Do not miss an exam just because you do not feel able to do your best. The Illness/Misadventure program is designed to support students who perform below their

expectations because of illness or misadventure.

If you do not attend an exam and your Illness/Misadventure application is unsuccessful, you will not receive a result in that course. This could mean that you are ineligible for the award of the Higher School Certificate.

NESA does not expect you to attend an exam against specific medical advice. If you cannot attend an exam (including a practical exam) because of illness or misadventure, you must notify your principal immediately.

Evidence of Your Illness or Misadventure

It is very important to provide independent evidence with your application. You should seek independent evidence on the same day, either immediately before or after each exam for which you are applying. The documentation you provide must be current, specific to the date and time of the exam, and submitted with the application.

A medical certificate that merely states you were unfit for work/study is unacceptable.

Practical Submissions

If, as a result of illness or misadventure, you experience difficulties in completing your practical submission, you must advise your teacher. He/she will complete Section B of the application. For example, a Visual Arts Body of Work or Society and Culture Personal Interest Project.

Performance Exams

If illness or misadventure occurs before the exam begins, and you are still able to attend the exam, notify your principal or Year 12 Advisor before you begin the exam. If you are presenting for the exam at a venue other than your home school, notify a NESA officer. For example, a Drama performance exam or Language speaking exam.

Before starting your exam, advise the Examiner of your situation. Do not hesitate to approach the Examiner as his/her comments and observations will be important in assessing your Illness/Misadventure application.

In the case of performance exams, it is not necessary to have Section B of the form completed. The Examiner will complete a report and send it separately to NESA.

Written Exams

If you are suffering from illness or misadventure, but are still able to attend the exam, notify the Presiding Officer (the person supervising the exam) when you enter the exam room. If the illness or misadventure occurs during the exam, notify the Presiding Officer at once. Do this at every exam session in which you consider your performance may be affected.

Do not hesitate to approach the Presiding Officer. He/she is there to help you. If you submit an Illness/Misadventure application, the Presiding Officer will need to complete Section B

Completing & Submitting Your Application

No section of the application should be completed before the relevant exam has been conducted, or before the due date for practical submissions.

Before signing the **Student Declaration**, read the statements above the signature box very carefully. It is strongly recommended that you sign the form only after you have completed Section A, and after Section C has been completed by an appropriate person.

NB. If Section C is incomplete and you did not attend an exam, you might not receive a result in that course. This could mean that you are ineligible for the award of the Higher School Certificate.

It is the Principals responsibility to submit your application to NESA.

All sections need to be completed as follows:

Form	Completed By:	Submit to:

The NESA Application Process

The NESA Illness/Misadventure Panel considers and makes a recommendation on each application on the basis of:

- NESA's responsibility in relation to the *Education Act 1990*, and
- the evidence presented in your Illness/Misadventure application.

The Illness/Misadventure Panel consists of senior education professionals who operate as a team and follow strict procedures. Each application is considered by up to five panel members to ensure that every case is determined fairly and consistently. Complex matters may be referred to an independent medical expert for advice.

You will be notified of the outcome of your application on the same day as you receive your Higher School Certificate results.

Closing Dates for Applications

Practical exams – one week after the exam or submission date

Written exams – within one week of the student's **last** exam **and** no later than the day of last HS exam.
