

Strategic Plan for BONNYRIGG HIGH SCHOOL 2015 - 2017

School Vision

To provide quality teaching and learning through an inclusive and challenging curriculum, where students develop as effective and responsible global citizens who value life-long learning.

Purpose of Strategic Direction 1

To provide a range of learning experiences which results in students who are socially, culturally and environmentally aware, and who develop as ethical, critical and creative thinkers.

Purpose of Strategic Direction 2

To implement for all staff a planned program of Professional Learning that reinforces school targets, enhances skills in classroom pedagogy, provides a range of learning experiences and fully reflects the Quality Teaching Framework.

Purpose of Strategic Direction 3

To provide a learning environment which is purposeful, challenging, engaging and caters for the individual interests and needs of each student.
