# Returning to BHS Q & A

From Monday, Week 3, Term 2 (11<sup>th</sup> May, 2020) students at Bonnyrigg High School will begin returning to school gradually as a part of the NSW Department of Education's "Managed Return to School" Guidelines (see appendix 1).

## What will this look like?

Students in Years 7-11 will only be attending 1 day per week, except for Year 12 who will be attending every day. Students will attend school according to their sports house.

The Phase 1 Student Schedule of attendance is as follows:

- Monday - Crocs + Year 12
- Tuesday - Stingers + Year 12
- Wednesday - Roos + Year 12
- Thursday - Devils + Year 12
- Friday - Taipans + Year 12

Whilst at school, students will attend normal Roll call and their normal scheduled classes.

*BHS Phase 1 Model*

## What if it is not my allocated day?

When it is not your allocated day at school, you will need to continue to 'check in' to Google Classroom Roll call and complete your online work as per your timetable.

## What will my lessons look like?

During lessons you will have the opportunity to clarify with your teachers work set on Google Class. Teachers will not be creating separate units of work for face to face delivery.

Classes will be small as only 20% of years 7-11 will be attending class at any given time, allowing for social distancing. Rolls will be marked every period.

## Phase 1: Return to School Procedures and Protocols. V1

---

Students in Years 7-12 will be participating in modified practical lessons, practicing social distancing and increased hygiene measures.

You will be required to line up outside of their classroom, following social distancing guidelines.

### What do I need to bring?

If you have a device and plan to bring it to school, ensure that it is fully charged. You will also need to bring all your equipment as per normal. The school will be providing hand sanitiser, but students are also encouraged to bring in their own hand sanitiser.

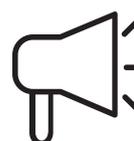

### Are the buses running?

Yes, buses are running. Students need to practice social distancing where possible on buses. You will be required to social distance when lining up and moving to the buses at the end of the day.

### Do I need to attend roll call?

Yes! Roll call will be held in roll call rooms as per usual. You are to adhere to social distancing guidelines when lining up for classes. You are expected to attend school on their allocated day, unless you are sick.

### What about roll call for Year 12?

Year 12 students who have late starts do not have to attend roll call. They can sign in through the front office as per normal procedures.

### Can Year 12 leave after their last period?

Yes. Year 12 can leave after their last timetabled period. They must sign out through the front office before leaving.

### Should I wear my uniform?

Yes. Junior students are permitted to wear sport uniform for the day, especially when they have a timetabled sport class. Seniors should be wearing full school uniform unless they have SLR or Sports Coaching, when they will be permitted to wear sport uniform for the day. The uniform shop is open by appointment only. Students will need to ask the office for an appointment. Parents and carers can ring the school to make an appointment. Please note that due to supply issues, school jackets are currently unavailable for purchase.

### Will the canteen be open?

Yes, the canteen will be fully operational. New social distancing measures will be in place with clearly marked lines with clearly defined entry and exit points. For increased safety, the canteen will no longer operate as self-service.

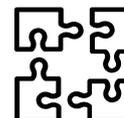

### Will I be able to take my medication at school?

Students who have completed the necessary paperwork will still be able to take their required medication at school. Our First Aid Officer will be present 5 days per week.

### I don't get to see all of my teachers. What do I do?

Years 7-11 students will only see their teachers one day per week where they will have the opportunity to clarify the work set in online lessons. On the days when learning from home, students will need to continue to complete online learning. In this case, if you need to ask a question of your teacher, you can email or message through Google Classroom.

### What's happening with assessment tasks?

Some assessment tasks have been modified as a result of the current climate. Students will be issued with updated assessment schedules that reflect these changes. HSC students completing major works will be supported by teachers.

### What happens if I don't complete work and assessment tasks?

Students must complete all set work and assessment tasks. Students in Years 7, 8 and 9 that do not complete their work will be issued with faculty warning letters and their parents/carers will be contacted. For students in Years 10, 11 and 12 that fail to complete coursework or assessment, an N Award warning letter will be sent. NESA's rules state that if two N Award warning letters are issued in a subject, progress could be jeopardised in ROSA/Preliminary/HSC.

### I haven't completed my HSC Minimum Standards Testing.

Ms Aspinall will be continuing to coordinate this program at school, so don't worry, she will find you! Or, you can find her in the library.

### What days do I attend if I am completing an accelerated course?

Year 11 accelerated students studying Year 12 Mathematics and Year 12 Chemistry will be allowed to attend their Year 12 face to face lessons for those courses in addition to their allocated day. Students will be required to sign in and out for their class at the office. Year 10 accelerated students will continue to work online.

### Do Year 12 students still have study periods?

Yes. You cannot leave until your last timetabled period of the day is finished. Study periods will continue for students in Year 12. Students who have a study period will work in the library or canteen COLA (adjacent to C Block). Social distancing guidelines should be adhered to. Year 12 students can approach teachers to work on major projects during study periods.

### What will lunchtime and recess look like?

All playground areas will be open to students. Students will be required to social distance and will receive reminders over the PA. Students will not be permitted to bring in sporting equipment from home.

As mentioned earlier, the canteen will be open and students will be required to follow new social distancing procedures. Students will not be able to use the bubblers but will be able to use bottle refill stations.

### Can I attend if I am unwell?

No. If you are unwell, stay home. If you come to school and are unwell, your parents, carers and emergency contacts will be called to collect you.

### What happens if my family decide it is best for me to stay home?

For the time being, if you are in Years 7-11, that's fine to stay home. As long as you are 'checking in' to Google Classroom Roll Call and engaging in online work through Google Classroom, you will be marked as flexible attendance (not absent). It would be best if you could attend 1 day per week though, as long as you (or very close family members) don't have underlying medical issues that may prevent you. If you are unsure, see your GP.

### When will school return to normal?

We're not sure how long Phase 1 will continue for, but we will let you know as soon as we can! We are forward planning in preparation for the next phase. See the appendix below for each phase.
