

Parent Portal: View payment history

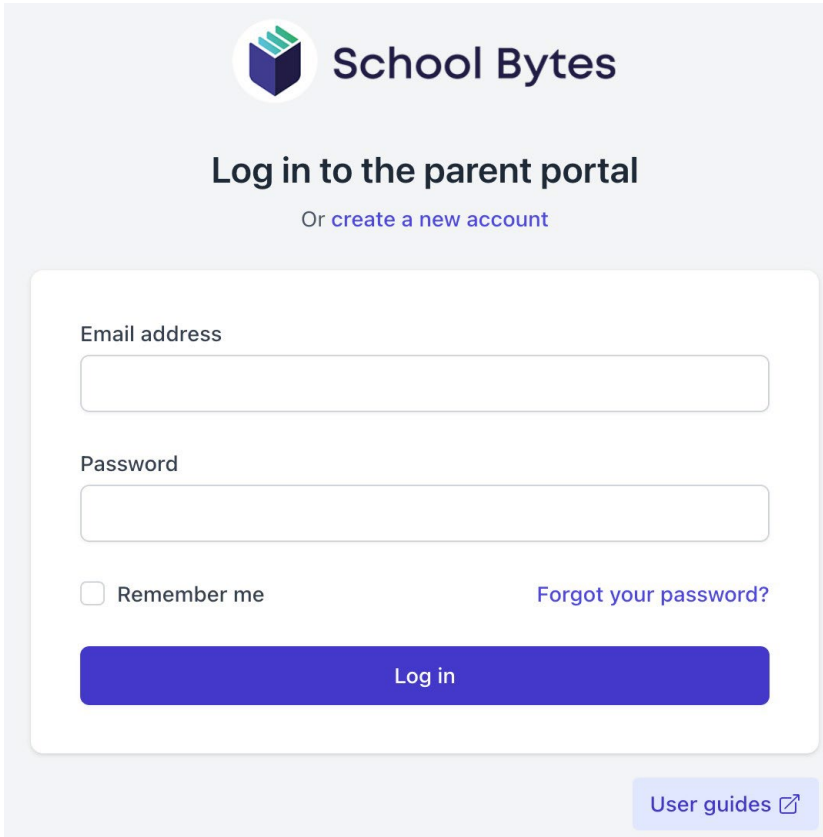

Your school uses School Bytes for online permission notes and payments that can be accessed via a parent portal. The School Bytes parent portal enables you to view all your children in one portal and process payments for multiple siblings in one transaction.

Once your portal has been activated you can use it to give consent for events, process online payments and view the school calendar.

Please note: Transactions made through the online payment portal will appear on your bank statement as 0SCHOOLSONLINE 0000 PARRAMATTA AU.
